

TMI Group expands service capabilities in Midwest

Release Date: September 10th, 2007

Testing Machines Inc, a TMI Group of Companies, has added a new service engineer to the Midwest region in the US. Mr. Garnett Thorpe will operate a service office located in the Chicago area. Mr. Thorpe, who holds an associate degree in electronic engineering technology, is excited about this new opportunity and brings 7 years of laboratory instrumentation service experience to the TMI Group.

My previous experience with Thwing-Albert Instrument providing service in this region, says Mr. Thorpe, “will allow me to continue to offer excellent local service and support to our customers.”

Testing Machines Inc. Field Calibration Department is accredited to ISO 17025 by A2LA. The company's scope of accreditation demonstrates continuous efforts to provide the highest level of customer support.
